

About

My given name is Wendryn. I like having an odd name. I am a runner, a writer, a pilot, I love to cook, I read voraciously, and I sing. I love having my life organized. Having a husband, daughter, and a cat in my life, though, has forced me to accept a certain level of chaos. You can find me on Twitter @wendryn; it's a protected account. I can be reached at wendryn (at) gmail (dot) com.
